GENERAL CONDITIONS OF CONTRACT

1. GENERAL PROVISIONS.

The contract will be executed in English, which shall be the binding for all matters relating to the interpretation of this contract. The headings shall not limit, alter or affect the meaning of this contract. The contract, its meaning, interpretation and the relation between the Parties shall be governed by the Applicable Law of Land in the state of Bihar, Country India.

2. NOTICES:

Any notice, request or consent required or permitted to be given or made pursuant to this contract shall be in writing. Any such notice, request or consent shall be deemed to have been given or made when delivered in person to the authorized representative of the Project Director, Bihar Council on Science & Technology, Patna or the Consultant as the case may be courtier or when sent by or registered mail or facsimile. Notice will be deemed to be served as specified below :

- a. In the case of registered mail/speed post, it shall be confirmed by registered letter or by speed post.
- b. A party may change its address for notice hereunder by giving the other party notice of such change.

3. AUTHORITY OF MEMBER IN CHARGE

The members shall nominate and appoint a person to act on their behalf in exercising all the Consultant' rights and obligations towards the Project Director, Bihar Council on Science & Technology, Patna under this contract, including without limitation the receiving of instructions and payments.

4. TERMINATION

The Project Director, Bihar Council on Science & Technology, Patna may by not less than thirty (30) days written notice of termination to the Consultant, such notice to be given after the occurrence of the events specified in the following, terminate this contract:-

- a. If the Consultant after due notification by the Project Director, Bihar Council on Science & Technology, Patna in writing, fails to remedy any material breach in the performance of their obligations hereunder, as specified in a notice of suspension pursuant to clause mentioned herein above, within thirty (30) days of receipt of such notice of suspension or within such further period as the Project Director, Bihar Council on Science & Technology, Patna may have subsequently approved in writing.
- b. If the Consultant become (or if the Consultant consist of more than one entity, if any of their members become) insolvent or bankrupt or enter into any agreements

with their creditors for relief of debit or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
If the Consultant fail to comply with any final decision reached as a result of arbitration proceedings.

- c. If the Consultant submit to the Project Director, Bihar Council on Science & Technology, Patna statement which has a material effect on the rights, obligations or interests of the organization and which the Consultant know to be false; If the Project Director, Bihar Council on Science & Technology, Patna, in its sole discretion and for any reason whatsoever, decides to terminate this contract and in such circumstances, the conditions specified for the foreclosure under Clause 18 of General Condition of Contract shall be applicable.

5. TERMINATION BY THE CONSULTANT

The Consultant may, by not less than thirty (30) days written notice to the Project Director, Bihar Council on Science & Technology, Patna, such notice to be given after the occurrence of any of the events specified in following paragraphs, terminate the contract:-

- a. If the Project Director, Bihar Council on Science & Technology, Patna fails to pay any money due to the Consultant pursuant to this contract and not subject to dispute within sixty (60) days after receiving written notice from the Consultant that such payment is overdue.
- b. If the Project Director, Bihar Council on Science & Technology, Patna is in material breach of its obligations pursuant to this contract and has not remedied the same within sixty (60) days (or such longer period as the Consultant may have subsequently agreed in writing) following the receipt by the Project Director, Bihar Council on Science & Technology, Patna of the Consultant notice specifying such breach;
- c. If, as a result of Force Majeure, the Consultant are unable to perform a material portion of the services for a period of not less than Thirty (30) days; or
- d. If the Project Director, Bihar Council on Science & Technology, Patna fails to comply with any final decision reached as a result of arbitration hereof.

6. CESSATION OF RIGHTS AND OBLIGATIONS

Upon termination of this Contract pursuant to Clause 4 & 5 of General Condition of Contract or upon expiration of this Contract pursuant to Clause 4 & 5 of General Condition of Contract, all rights and obligations of the Parties hereunder shall cease, except:-
Such rights and obligations as may have accrued on the date of termination or expiration;
The obligation of confidentially set forth in this Clause 12 of General Condition of Contract hereof. Any right, which a Party may have under the Applicable Law.

7. CESSATION OF SERVICES

Upon termination of the Contract by notice of either Party the Consultant shall, immediately on dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum.

8. DISPUTES ABOUT EVENTS OF TERMINATION

If either Party disputes whether an event of termination has occurred or not, such party may, within 45 days after receipt of notice of termination from the other Party, refer the matter to arbitration, and this Contract shall not be terminated on account of such event except in accordance with the terms of any resulting arbitral award.

9. LIQUIDATED DAMAGE:

- a. Time schedule shall be the essence of the agreement. If the Consultant fails to complete the work within the time prescribed, the Consultant shall pay the sum as decided by the Project Director, Bihar Council on Science & Technology, Patna in percentage of the fee of that phase for delays per week as liquidated damages provided that the entire amount of liquidated damages shall not exceed 10% (ten percent) of total fee.
- b. The Project Director, Bihar Council on Science & Technology, Patna without prejudice to any other method of recovery, shall deduct the amount of such damages from any amount due or which may become due to the Consultant. The payment or deduction of such damages shall not relieve the Consultant from his obligations to complete his services or from any other liability under the agreement.
- c. If any work is not completed within the stipulated time as per agreement then the Project Director, Bihar Council on Science & Technology, Patna shall have an option to get the services of the other agencies to complete the work and the extra expenditure if any incurred shall be recovered from the Consultant

10. DESIGN SOUNDNESS AND PENALTY FOR FAILURE :

The Consultancy firm shall be responsible for the total soundness of design. In the event of any design failure or violation of statutory regulation faced by the Project Director, Bihar Council on Science & Technology, Patna during execution and thereafter the Project Director, Bihar Council on Science & Technology, Patna may impose penalty on the Consultant.

11. OBLIGATIONS OF THE CONSULTANT

The Consultancy firm shall perform the Services and carry out their obligations hereunder with all due diligence, efficiency and economy, in accordance with generally accepted professional techniques and practices and shall observe sound management practices and employ appropriate advanced technology and safe and effective equipment, machinery,

materials and methods. The Consultant shall always act, in respect of any matter relating to the Contract or to the Services, as faithful advisors to Project Director, Bihar Council on Science & Technology, Patna and shall at all times support and safeguard the Project Director, Bihar Council on Science & Technology, Patna legitimate interests in any dealings with sub-Consultant or third parties.

12. CONFIDENTIALITY

The Consultancy firm, their sub-Consultant and the personnel or either of them shall not, either during the term or after the expiration of the contract, disclose any proprietary or confidential information relating to the project, the Services, the Contract operations without the prior written consent of the Project Director, Bihar Council on Science & Technology, Patna.

13. INSURANCE AND INDEMNITY TO BE TAKEN BY THE CONSULTANT

Bihar Council on Science & Technology, Patna undertakes no responsibility in respect of life, accident, travel or any other insurance coverage for the Personnel or for the dependents of any such Personnel. The Consultant shall indemnify the Bihar Council on Science & Technology, Patna against all claims, proceedings, demands, costs and expenses of whatsoever nature that may arise or accrue by any reasons or reason of infringement or alleged infringement by the Consultant of any patent or other protected right during or in connection with the Services.

14. CONSULTANT'S ACTIONS REQUIRING PRIOR APPROVAL

The Consultancy firm shall obtain prior approval from Project Director, Bihar Council on Science & Technology, Patna in writing, before taking any of the following action:-

Entering into a sub contract for the performance of any part of the Services, it being understood:

- (i) That the selection of the sub Consultant and the terms and conditions of the sub consultant shall be approved by the Project Director, Bihar Council on Science & Technology, Patna prior to the execution of such the sub consultant agreement, and
- (ii) That the Consultant shall remain fully liable for the performance of the services by the sub Consultant and its Personnel pursuant to this contract; and
- (iii) The Consultant shall not use these documents for purposes unrelated to this contract without the prior written approval of the Project Director, Bihar Council on Science & Technology, Patna.

15. ARBITRATION

- a) In the event of any dispute or difference arises between the parties relating to the consultancy, meaning or effect of the Agreement or any other clause or in respect of

the rights and liabilities of the parties or other matters specified therein or with reference to anything arising out of or incidental to the Agreement or otherwise in relation to the terms, whether during the continuance of the Agreement or thereafter, such disputes or differences shall be endeavored to be solved by mutual negotiations.

- b) If however such negotiations are in fructuous, they shall be decided by arbitration under The Indian Arbitration and Conciliation Act, 1996 and the award made in pursuance thereof shall be final and binding on the parties. The venue of arbitration shall be Patna and subject to the above, the Civil Courts in Patna shall have exclusive jurisdiction in this matter.
- c) Any reference to arbitration shall not relieve either Party from the due performance of its obligations under this Agreement. However, if the nature of disputed matter under arbitration so necessitates, either party may suspend further performance till the arbitration award is declared. The period of non-performance under these circumstances will be added to the contracted period of completion, without payment of compensation for such delay.
- d) The Cost and expenses of the arbitration proceedings would be borne by losing party.

16. GUARANTEE OF DESIGNS SPECIFICATIONS ETC:-

The consultant shall guaranty their designs specifications and other related technical information and this should be complete, adequate and workable. The burden of proof that the designs specifications and other related technical information is completing accurate, adequate and workable shall rest with the consultants.

17. GENERAL .

- a. The document should be sent by speed post/registered post/courier or hand delivery. Project Director, Bihar Council on Science & Technology, Patna will not entertain any application after the prescribed time limit on any ground.
- b. The application should be type written. The applicant's name & signature should appear on each page of the application form.
- c. Overwriting shall be avoided and corrections, if any, shall be made by crossing out, initialing, marking the date and rewriting. all pages of the application shall be numbered and submitted as a package with signed letter of transmittal.
- d. References, information and certificates from the clients certifying suitability, technical know-how or capability of the applicant shall be signed by the respective client.
- e. The applicant is advised to attach any additional information he thinks would be necessary in regard to his capabilities. No further information will be entertained

after submission of application unless it is required by the Project Director, Bihar Council on Science & Technology, Patna. The Project Director, Bihar Council on Science & Technology, Patna however, reserves the right to call for additional information and clarification of information submitted by the applicants.

- f. The cost incurred by applicants in preparing this application in providing clarifications or attending discussions/conferences in connection with this document shall be borne by the applicant and the Director in no case will be responsible or liable for these costs, regardless of the conduct or outcome of the process.
- g. The right to reject any or all applications or to award the work to one or more applicants without assigning any reasons is reserved with the Project Director, Bihar Council on Science & Technology, Patna, similarly, right to modify the mode of selection is reserved with the Project Director, Bihar Council on Science & Technology, Patna.
- h. In order to familiarize with the proposed project, the applicant may make a visit of the project site. Cost incurred by the applicant for collection of preliminary data will be borne by the applicant only.
- i. The RFP shall not bind the Project Director, Bihar Council on Science & Technology, Patna in any way whatsoever to offer any job to the applicant if it is decided to abandon the scheme.

18. DISCLAIMER :-

Though adequate care has been taken in the preparation of this document the applicant should satisfy himself that the documents is complete in all respects to provide complete technical and financial details. Written information of discrepancy if any should be given to the Project Director, Bihar Council on Science & Technology, Patna immediately. If the office receives no intimation, it shall be deemed that the applicant has satisfied himself that the document is complete in all respect.
