INTRODUCTION

1.1. Background

Bihar Council on Science & Technology (BCST)BCST was established on June 1984 as an autonomous body registered under societies registration Act of 1860 with a vision to harness the potential of science & Technology as an instrument of socio-economic change

The Council strives to ensure that efforts in Science & Technology are not restricted to scientific laboratories and academic institutions but percolate to the use so that science, technology & innovation increasingly become part of the everyday life of our citizens as well as transform rural Bihar.

This organization is actively involved in:

1. Conducting workshop/seminars for the purpose of increasing the quantitative and qualitative yield of medicinal and aromatic plants utilizing the latest scientific innovations. This has resulted an increase in the income of farmer by many folds.
2. To make aware and develop scientific temper among the common mass. The Council organizes as well as promote various activities like National Science Day, Children Science Congress, etc. The Council has established District Science Centers to promote Science & Technology amongst common people.
3. Mapping of land, watershed and flood affected area through remote sensing satellite. Utilization of Remote Sensing Technology for assessment and management of natural resources to facilitate planning process of the State Govt. Bihar Remote Sensing Application Centre, Patna is envisaged in many projects funded by State Government Departments and national agencies like ISRO, SAC.
4. Analyzing the data related to the production of wheat, rice which helps prediction of estimated production.
5. 4.7 Combined and Final Evaluation

Following completion of evaluation of Technical and Financial Proposals, final ranking of the Proposals will be determined. This will be done by applying a weight age of 0.80 (or eighty percent) and 0.20 (or Twenty percent) respectively to the technical and financial scores of each evaluated qualifying Technical and Financial Proposals and then computing the relevant combined total score for each Consultant. The technical and financial scores shall be added and the Contract will be awarded to the agency which scores maximum points and will be invited for contract negotiations.

4.8 Negotiations

The Selected Applicant may, if necessary, be invited for negotiations. The negotiations shall generally not be for reducing the price of the Proposal, but will be for re-confirming the obligations of the firm under this RFP. Issues such as deployment of Key Personnel, understanding of the RFP, methodology and quality of the work plan shall be discussed during negotiations. A Key Personnel who did not score 70% (seventy per cent) marks as required under Clause 3.1.2 shall be replaced by the Applicant with a better candidate to the satisfaction of the Authority. In case the Selected Applicant fails to reconfirm its commitment, the Authority reserves the right to designate the next ranked Applicant as the Selected Applicant and invite it for negotiations.

The Authority will examine the CVs of all other Key Personnel and those not found suitable shall be replaced by the Applicant to the satisfaction of the Authority.

4.9 Substitution of Key Personnel

The Authority expects the Key Personnel to be available during implementing the Agreement. The Authority will consider substitution of the Key Personnel only in extraordinary / unavoidable circumstances. Such substitution shall ordinarily be subject to equally or better qualified and experienced personnel being provided to the satisfaction of the Authority.

4.10 Indemnity

The selected firm shall, subject to the provisions of the Agreement, indemnify the Authority, for an amount not exceeding the value of the Agreement, for any direct loss or damage that is caused due to any deficiency in Services.

4.11 Award of Contract

The firm will sign the contract after fulfilling all the formalities/pre-conditions mentioned in the standard form of contract of BCST, BIRSAC & IGSC Planetarium, Patna within 30 days of issuance of the letter of intent. The firm is expected to commence the Assignment/job on the date and at the location specified in the contract.

4.12 Commencement of Assignment

The Firm shall commence the Services within seven days of the date of the Agreement, or such other date as may be mutually agreed. If the Selected Applicant fails to either sign the Agreement as specified or commence the assignment as specified herein, the Authority may invite the second ranked Applicant for negotiations. In such an event, the LOA or the Agreement, as the case may be, may be cancelled / terminated.

4.13 Proprietary data

Subject to the applicable provisions, all documents and other information provided by the Authority or submitted by an Applicant to the Authority shall remain or become the property of the Authority. The Authority will not return any Proposal or any information related thereto. All information collected, analyzed, processed or in whatever manner provided by the Applicant to the Authority in relation to the chartered accountant firm Services shall be the property of the Authority.
