  - (iv) Department reserves the right to accept or reject any application or whole process without assigning any reason whatsoever.

### **3 Mode of Selection**

- (i) Industry partners are required to submit their technical and financial proposal in separate sealed envelopes.
- Initially technical proposals will be opened and Industry partners will be evaluated against the minimum eligibility criteria. The bidders will provide requisite certificates and other necessary details as a proof.
  - The bidders will be ranked technically (T1, T2, and T3 etc.) on the eligibility parameters.
  - The financial proposal of only those Industry partners would be opened who clear the minimum eligibility criteria.
  - In the event T1 is also financially the least (F1), the project will be awarded to T1. In case T1 is not the F1, T1 will be given the first opportunity to match F1; else the opportunity goes to T2 and so on.
