Financial Arrangement

Plan Head

The Department of Disaster Management prepares annual plan for Disaster management. The annual plan outlay for department is provided by Planning and Development Department. Disaster Management Department makes Several Schemes and prepares a estimate for budget allocation under different plan heads. After the approval of legislative assembly department can makes expenditure or funds allotted under different plan budget heads. Following are the major scheme:-

- Procurement of Motor Boats etc in the Flood Prone Districts
- Establishment of State Disaster Response Force
- Construction of Ware Houses
- Establishment of Emergency Operation Centers
- Procurement of Life Jacket, Mahajals and Tents etc for flood prone districts.
- Procurement and Maintenance of Communication Equipments
- Establishing Early Disaster Warning System
- Capacity Building of Stake holders for Disaster Reduction
- Awareness Generation
- Modernization of Disaster Management Office
- Disaster Management Plan
- Awareness and Capacity Building of Schedule Caste/ Scheduled Tribe population.

On the requisition of District Magistrate/concern department DM department makes allotment of funds to them for above schemes and proper monitoring is done through the department and get expenditure/utilization reports.

Non Plan Head

Under the non plan head the present scheme of State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF) are based on recommendation of the 13th Finance Commission. On the recommendation of 13th Finance commission the Ministry of Finance, Government of India (GoI) has allocated fund for the state. The department

prepares head wise budget estimate against the fund allocated and it is sent to Finance Department. Through the Finance Department budget estimate is placed before the legislative assembly for proper approval.

Any emergent requisition from district/line department arises from **any disaster** is discussed in **State Executive Committee** (**SEC**) headed by Chief Secretary of Bihar for decision and as per direction of SEC either fund or directive is issued to districts. Without the consent of SEC no fund can be utilize from SDRF. The department of Disaster Management being the nodal department seeks expenditure/utilization certificate from districts/ line departments and then the amount is debited and utilization is send to Central Government. It is decided in SEC no additional fund would be given to any district if the utilization certificate is pending from there.

In Bihar flood is very familiar disaster therefore for pre flood preparation a sufficient amount of fund is allotted to each and every flood prone district with the consent of State Executive Committee.

- The standard relief norms for 2010-15 is attached as Annexure-9
