3. Summary Audit Observations

Part - A (Monetary Implications)

All Audit objections/irregularities which has monetary implications, particularly in following areas

- a. Leakage of own source revenue (tax and non tax) either due to wrong assessment or non-levy of property tax, mobile tower tax, rent on municipal properties, advertisement tax, Trade License ,User Charges and fee etc. Internal Auditor will identify major areas of ULB's own revenue loss and auditor will access the loss and prepare statement of loss.

Audit Objective:

Report and quantify all major own revenue losses and opportunities lost or missed including in the area of Property Tax, Mobile Transmission Towers Tax, Rental of Municipal properties, Advertisement Taxes/Fees, Sairat etc;

- a) Property Tax and other revenue receipts are not deposited by tax collectors to the cashier by 4:30 PM on the same Day.

Criteria:

Collections should be deposited in to bank on the same day. (Rule-27)

All moneys to be brought to account. (Rule 22)

Condition:

Revenue collection process is not satisfactory; in case of property tax internal control is not adequate. We have observed that Property Taxes collected by tax collector were not deposited on the same day or the day after tomorrow but it is being deposited after a week/month.

1. Reconciliation of property tax collection by tax collector and amount deposited into bank is also not available.
2. Tax demand register has not been provided for verification; in such a situation we cannot ascertain the actual tax demanded/dues which can be recovered from a single tax payer. This could be a huge loss to Nagar.

Consequence/Effect/Impact:

As per Rule 27 of BMAR it should be deposited on daily basis otherwise a penalty up to Rs. 5000/- may be imposed for delayed deposit.

Cause:
