RFP Page No. 27 2.1 Scope of Work	The Scope of Work will be divided into three parts-..	The Scope of Work will be divided into three parts-.. ..... and As per revised requirement a new login of Doctors is to be added in AI worker app. It is for Doctors just like AI workers. The farmer can request for a Vet Doctor either on call or can demand at home service from his app and the nearest Doctor will get notification and the Doctor has to respond accordingly. In that review system should be also integrated where farmers and Doctors can give review after checkup and all this data that which Doctor responded most and the rating of Doctor should be visible to DAHO dashboard. Doctor registration should be separate .In this app Doctor has to enter all details of the animal and it will be stored as a checkup history record of that specific animal.

The other Terms and Condition will remain the same.

The detailed terms and conditions of the Notice Inviting RFP can be seen/Downloaded from the departmental website **www.ahd.bih.nic.in.**
