4. Background

The Directorate of Fisheries in Bihar operates under the Animal and Fisheries Resources Department of the state government, overseeing the development and management of fisheries resources. Its primary objectives include promoting fish production, ensuring sustainable aquaculture practices, conserving fish species, and implementing welfare schemes for fishermen.

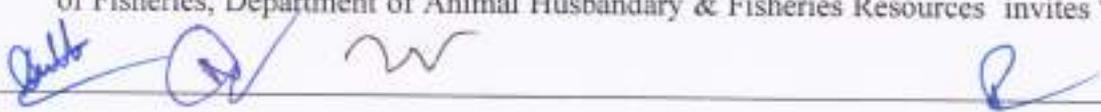

Key Activities and Initiatives:

- 1. Infrastructure Development:** The Directorate focuses on enhancing fisheries infrastructure by constructing new ponds, establishing hatcheries for species like Magur and prawn, and developing fish seed rearing facilities. These efforts aim to increase fish production and support aquaculture expansion.
- 2. Financial Support and Subsidies:** Various schemes provide financial assistance to fish farmers. For instance, the Pradhan Mantri Matsya Sampada Yojana (PMMSY) has sanctioned projects worth ₹522.41 crore in Bihar, with a central share of ₹158.82 crore, to support activities such as establishing hatcheries, expanding aquaculture areas, and developing cold storage facilities.
- 3. Community Empowerment:** Initiatives like JEEViKA empower women's self-help groups by granting them access to village ponds for fisheries activities. This approach promotes community-led aquaculture, providing training, capital support, and technical knowledge to enhance livelihoods.
- 4. Technological Integration:** The Directorate is adopting modern technologies, such as drone applications in fisheries, to monitor and manage water resources effectively. These advancements contribute to increased efficiency and productivity in the sector. Directorate of Fisheries ,Department of Animal Husbandary & Fisheries Resources
