Mala
Masa-Mela

Mala-Masa the extra month in lunar calendar is also called Purushottam masa as blessed by Sri Krishna, the Purushottma as "Whoever performs sat-karmas (good deeds) in this month, their misery will be eradicated by these sat-karmas. Those who perform penance in this month will conquer their indriyas (senses). Whereas by performing sat-karmas in other months one attains Swarg (Heaven), and also returns (to earth) after their depletion, performing them in Purushottama Mas will totally eradicate punarjanma (cycle of rebirth). This month is not suitable for personal rituals so the outdoor religious activities have become a tradition. At Rajgir, the Mala Masa-Mela is a very popular festival.
