

A pixelated illustration of a forest scene. A dirt path leads from the bottom center towards a large, dark green tree in the background. The ground is covered in green grass and brown patches. The text 'WALKING IN THE NATURE' is written in white, uppercase letters across the middle of the image. On the right side, there are stylized, semi-transparent green leaves and branches.

WALKING IN THE NATURE

Ghorakatora Lake

The Sapphire and Emerald Bond

The natural lake in the valley of Rajgir surrounded by the hill ranges is the latest addition to Bihar's eco- tourism list. The spectacular huge lake lying still amidst the green hill valley is also a fun-filled enjoyable tourist attraction. The Tonga-ride from the base of Vishwa Shanti Stupa in the lap of unpolluted nature is a fabulous treat for the visitors.

The breathtaking view of the lake is also visible from different hilltops while trekking the other destinations of Rajgir hills.

Pandwa Pushkarni Pokhar

A mythical Pond which is related to Pandavas of Mahabharata now has been developed by the BSTDC. It is a major attraction for tourists.

Hot Water Springs

The natural hot water springs at the Vaibhara hill have become a religious pilgrim for the devotees. The cluster of Hindu temples of Lakshmi Narayan Temple set around the springs is famous for the healing power amongst Hindu pilgrims. There is another hot spring which is popular as Makhdum Kund which draws a large number of Muslims to the revered point.

Ambedkar Mrig Vihar

Chief Minister Shri Nitish Kumar sanctioned this as a second zoo of Bihar to promote the tourism
