भवन निर्माण विभाग, बिहार।

पटना, दिनांक:- 23/7/26

विषय:-

Centrally Sponsered Scheme (CSS) के अन्तर्गत क्रियान्वित योजनाओं की अद्यतन स्थिति न्याय विकास पोर्टल पर दिनांक-31.07.2026 से पूर्व अपलोड करने के संबंध में।

प्रसंग:-

निबंधक (प्रशासन), पटना उच्च न्यायालय, पटना का पत्रांक-63293-295, पटना, दिनांक-15.07.2026

महाशय,

उपर्युक्त विषयक प्रासंगिक पत्र के संबंध में कहना है कि आपके क्षेत्राधीन Centrally Sponsered Scheme (CSS) अन्तर्गत क्रियान्वित योजनाओं की अद्यतन स्थिति न्याय विकास पोर्टल पर दिनांक-31.07.2026 से पूर्व अपलोड करना सुनिश्चित करें, ताकि भुगतान संबंधित अग्रतर कार्रवाई की जा सके।

विलम्ब की स्थिति में उत्पन्न होने वाली विपरीत परिस्थिति के लिए आप स्वयं जिम्मेवार होंगे।

कृप्या इसे सर्वोच्च प्राथमिकता दी जाय।

अनु0:-यथोक्त।

Record of Discussion of the Online Session held on 09.07.2026 for States/UTs on the New Functionalities of the Nyaya Vikas Portal under the Centrally Sponsored Scheme (CSS) for Development of Infrastructure Facilities for District and Subordinate Courts.

An online session was held on **09.07.2026 (03.00 PM)** under the chairmanship of Shri Satya Pratap Singh, Joint Secretary, Department of Justice through video conference with representatives of the States/UTs and High Courts. The purpose of the session was to familiarize the participants with the newly introduced functionalities on the **Nyaya Vikas Portal**, namely **Project Prioritisation and updation of e-payment voucher (EPV) details** under the Centrally Sponsored Scheme (CSS) for Development of Infrastructure Facilities for District and Subordinate Courts. At the outset, the Chair welcomed all the participants and emphasized the importance of timely adoption of the new functionalities for effective monitoring of projects under the Scheme.

2. The technical team from **NRSC-ISRO** made a detailed presentation and demonstrated the newly introduced modules on the Nyaya Vikas Portal. The procedure for project prioritisation and updating of EPV details linked with bills generated through PFMS was explained at length.
3. Joint Secretary advised all States/UTs to verify the details of ongoing projects and their respective components available on the Nyaya Vikas Portal and to rectify any discrepancies, wherever required. States/UTs were further requested to complete project prioritisation at the earliest and regularly update EPV details to facilitate effective monitoring of fund utilisation and project progress.
4. During the interactive session, representatives of the States/UTs sought clarifications on various aspects relating to the newly introduced functionalities of the Nyaya Vikas Portal and the implementation of the Scheme. The queries primarily pertained to updating of EPV details, admissible infrastructure components, project prioritization, modifying/updating details of projects on the Portal, financial assistance for ongoing/new projects, and normative costs of approved infrastructure components. The following clarifications were provided by the Chair: -
 - i. Updating EPV details on the Nyaya Vikas Portal is essential for mapping expenditure to the respective project and component, thereby enabling project-wise monitoring of utilization of Central funds. Accordingly, States/UTs were advised to update EPV details on the Nyaya Vikas Portal simultaneously with the corresponding entries on PFMS Portal.
 - ii. The financial assistance under the Scheme is restricted to the approved infrastructure components. The Scheme does not discuss components such as CCTV, air-conditioning and furniture. It was further clarified that expenditure on computers is covered under the e-Courts Project.
 - iii. Requests relating to merger of multiple projects or editing the status of projects that are physically completed but financially incomplete may be submitted to the Department of Justice for examination and necessary action. After examination, necessary action will be taken in coordination with NRSC-ISRO.
 - iv. Requests were made by few States to activate "Add new projects" option on the Nyaya Vikas Portal to enable States/UTs to add ongoing projects which have been missed

13/7/2026

Kindly refer to this Department email dt 21.05.2026 vide which DO letter from Secretary (Justice) to Law/Home Secretaries of all States was forwarded wherein it was requested to ensure utilization of Central share of funds only for Ongoing Projects and not for any new project, at present. Therefore, the tab "Add New Project" on NVP was disabled. C

However, during the online session conducted for all States/UTs related to recently introduced "New functionality on Nyaya Vikas Portal" on 09.07.2026 for demonstrating the procedure related to Project prioritization and filling of details of EPV files on NVP, a few States requested to enable the tab of "Add New Project" on NVP as some projects which are already under construction have been left out from uploading/geo tagging on NVP and now States are finding it difficult to raise bills against such projects.

Apropos the discussions taken place *inter-alia* during the VC meeting on 09.07.2026, it has been now decided to enable the tab of "Add New Projects" for facilitating uploading the missed/left out **Ongoing projects only**, where at least some amount of Central Share have already been utilized. The facility will be opened on Nyaya Vikas portal only for a period of **two weeks starting from 15th July 2026 to 31 July 2026**. Necessary action may be taken accordingly.

Regards

Under Secretary (NMJR-II),

Department of Justice,

New Delhi - 110011
