BUREAU OF INDIAN STANDARDS

Dear Sir/Madam,

Greetings!

The Bureau of Indian Standards (BIS) is pleased to inform you that the National Building Code of India 2016 (NBC 2016) has been comprehensively revised. The latest version has been officially published under the new title: **"National Building Construction Standards 2026" (SP 7 : 2026)**.

To facilitate a smooth transition, alignment of local building bye-laws, and robust implementation of these updated technical standards, BIS is organizing a dedicated **Dissemination Programme** specifically tailored for related government departments, urban local bodies, and development authorities across all States and Union Territories.

We cordially invite you and senior technical representatives from your department to join this essential online session.

Program Details & Registration:

- **Mode:** Online (Virtual Session)
- **Target Audience:** Secretaries, Engineers-in-Chief, Town Planners, and Senior Officials across Urban Development, Housing, Municipal Administration, Public Works Departments (PWD), Fire Authorities, Electrical Inspectorates, Lift Inspectorates, PHED Officials.
- **How to Join:** Please use the link below to register your details and access the online event platform.

🔗 [Link to Register for the Online Dissemination Programme]

: <https://meeting.mgovcloud.in/meeting/register/embed?sessionId=1880216543>

The programme details are attached to this email. We highly look forward to your active participation in shaping the future construction landscape in a safe, orderly, resilient, accessible and sustainable manner.

For any related queries, kindly contact the undersigned.

Thanks and regards,
