- As an SECC Household may have more than one Job card, three column have been provided for entering separate Job Card's Number and their demand.
- There is no need to enter the other parts of the Job Card Code (State-District-Block-GP-Village) as they'd be the same for all the Job Cards in an SECC Household.
- In the unlikely event of an SECC Household having more than 3 Job Cards, use additional **Form A**.
