MGNREGA AND FORESTRY: JOINT ADVISORY KEY COMPONENTS

Plantation around the roads under “Rural Works Department” will be done UNDER MGNREGA.

Districts to ensure that “Declared forest land” are not used in MGNREGA plantation.

Those roads “depicted in revenue map” will be covered under MGNREGA.

Plantation inside the premises of “schools, PHC, Government Buildings etc” with the permission of the head of the respective institutions. After the due period of care under MGNREGA, further, the responsibility will be of the respective institutions.

Selection of Species of Plants: 40% fruit bearing plants, 20% plants of ecological diversity, 40% wooden plants. Plantation is to be such that every unit of 20 plants has the same proportion of composition as above. (for Vriksh Sanrakshan Yojna Purpose)

Regional species to be given priority.

- Fruit Bearing Eg-Mango, Guava, Jackfruit, custard apple, aanwala etc.
- Eco-logical Diversity Plants eg- Banyan, Bargad, Neem, Gullar etc.
- Wooden Plants eg- Sheesham, Gamhar, Sagwaan, Mahogany etc.

Minimum separation between plants: 2*2 metre

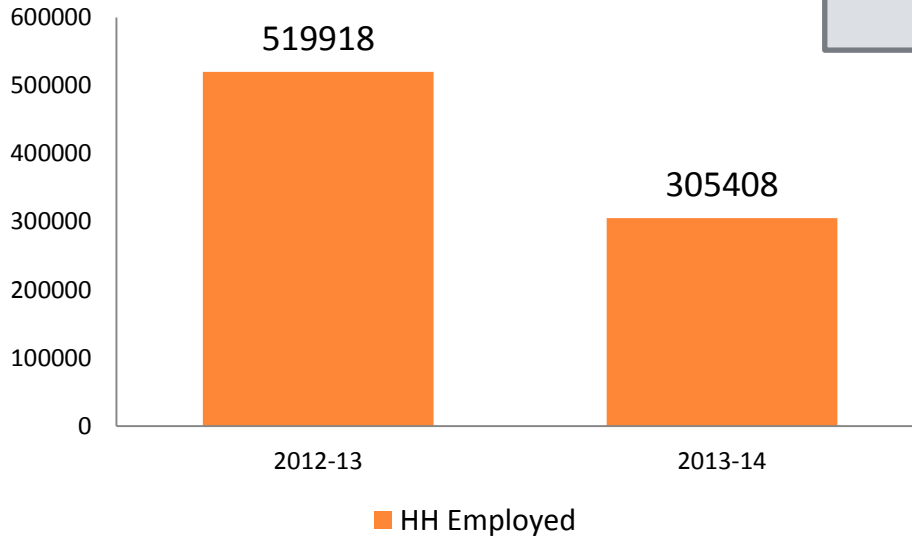

Plantation of fruit bearing plants on private land under given conditions

A maximum of 10 unit of plantation per Panchayat annually

ADHERENCE TO MGNREGA PROCESSES

1. Job Demand Generation: Vasudha Kendra, Mahadalit Abhiyan, Ward Sabha and Ward Members, BDO chiosk, PO desk, PRS, Mukhiya

2. Timely Work Start: Administrative and technical sanctions to be procured. Work's Detail entry into MIS to enable e-Muster Generation.

3. Timely Measurement: MB has been mandated in Bihar to be entered into MIS to expedite the MGNREGA Processess

4. MIS Entry: e-Muster and MB entries are being monitored at every level. Wage list generation mandated as well in the State.

5. Account Transfers from P.O. to Bank

6. e-FMS rollout declared in the State.

7. Photo Upload of the works in all the three phased being emphasized at every platform.

8. Upload of the calendar of Social Audit and execution at the Panchayat as per the schedule along with making people aware through Newspaper advertisements.

9. Fund Management: CPSMS functional since 1st April 2012. Direct fund pool by Panchayat from the State Fund through District and Block.

10. E-Shakti expansion to 18 districts

INSTITUTIONAL STRUCTURES FOR CONVERGENCE

- Coordination meeting at the State Level anchored by Secretary, RDD
- Nodal officer designated at the State to anchor the process of convergence with different department; Additional Secretary, RDD has been designated in case of Bihar.
- Deputation of personnel from Forest Department in RDD for convergence. (Director: Social Forestry)
- Joint Resolutions being passed by the converging departments. (eg: RDD and PHED, RDD and Forest)
- DM instructed to have “coordination meetings” in districts to facilitate convergence of line departments with MGNREGA.
- DDC anchoring the “convergence of MGNREGA, NBA and IAY)
- Instructions given to open counters along side RTPS counters at block office to receive applications for works on private land.
- RTPS and MGNREGA convergence being contemplated for removing possible gap in adherence to MGNREGA processes
- “Vriksh Sanrakshshan Yojna”: a cluster of 20 plants on public land under MGNREGA to be given to “Vanposhaks” who have worked in the scheme and who can easily take care of the plants post MGNREGA phase.

MGNREGA Road Show & Mela

Apna Naam Likho – Dist. Sheohar

जिला ग्रामीण विकास अभिकरण, गया

वृक्ष संरक्षण योजना - एक दृष्टि में

बिहार सरकार

गया जिला बिहार राज्य के दक्षिणी भाग में अवस्थित है। इस जिले में कुल 24 प्रखंड हैं, जिनमें से अधिकांश अत्यधिक नक्सल प्रभावित हैं। इस क्षेत्र में औसत वर्षा 700-800 मि.मी. है जो सामान्य रूप से आवश्यक वर्षा 1200-1300 मि.मी. तथा राष्ट्रीय औसत 1000-1100 मि.मी. दोनों से कम है।

महात्मा गांधी राष्ट्रीय ग्रामीण रोजगार गारंटी योजना के अंतर्गत, गया जिला में वृक्षारोपण की शुरुआत वर्ष 2009-10 में 6 इकाई पौधों की रोपाई से की गई। वृहत् स्तर पर वृक्षारोपण वर्ष 2012-13 में 26,446 इकाई पौधों की रोपाई के साथ की गई। इस जिले में अब तक लगभग 60 लाख पौधों की रोपाई की जा चुकी है। वृक्षारोपण के अंतर्गत वृक्षों की देख-भाल के लिए प्रत्येक इकाई पौधों पर एक वनपोषक एवं पाँच इकाई पौधों पर एक चापाकल का प्रावधान है। वनपोषक के कार्य में महिलाओं विशेषतः विधवा, विकलांग व्यक्तियों एवं वृद्ध लोगों को प्राथमिकता दी जाती है।

वृक्षारोपण के अन्तर्गत वनपोषक निम्न रूप से लाभान्वित हो रहें हैं:-

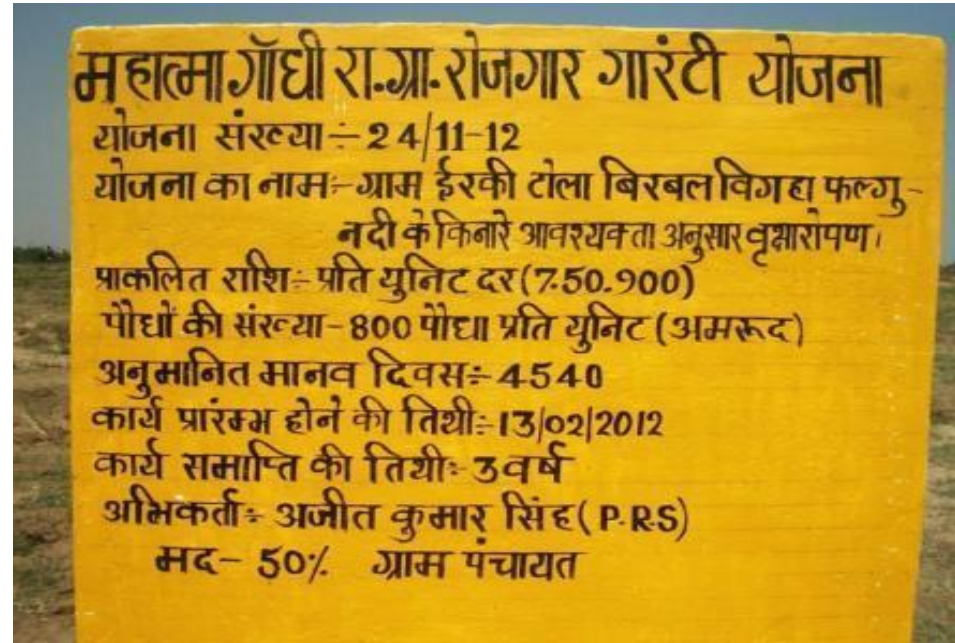

1. 36 दिनों का निश्चित रोजगार।
2. आर्थिक मदद।
 - मनरेगा के अन्तर्गत मिलनेवाली मजदूरी से आर्थिक लाभ।
 - वनपोषक वृक्षों के बीच वाली जगह में मौसमी सब्जियों/फल जैसे खीरा, लीकी, तरबुज इत्यादि की खेती से भी लाभान्वित हो रहें हैं।
3. साथ ही साथ इन वनपोषकों के बीच सर्वसम्पत्ति से वृक्षों का वितरण मेड़ बनाकर, 20 वृक्ष एक वनपोषक को दिया जा रहा है।

वृक्षारोपण के अन्य लाभ निम्न हैं:-

4. बढ़ते हुए वायु प्रदूषण को रोकने का विकल्प।
5. लोगों का अंततः समाज का सामाजिक-आर्थिक अग्रतरण।
6. हरित चादर में वृद्धि से 'ग्लोबल वार्मिंग' की बढ़ती हुई समस्या से जूझने में एक मदद।
7. जल स्तर में सुधार।
8. मृदा संरक्षण।
9. 'कार्बन ट्रेडिंग' के द्वारा आर्थिक आय।

गया जिला में वृक्षारोपण से एक ओर आर्थिक विकास एवं सामाजिक निवेश हो रहा है तथा साथ ही साथ पर्यावरणीय संतुलन से यह उल्कृष्टता को प्राप्त कर रहा है।

ROLE OF PRI

Planning and Labour Budget Preparation

Ward Sabha and Gram Sabha:

Liaison with Line Departments for “Plan” inclusion/approval in the Gram Sabha Meetings

Social Audit Facilitation

Monitoring of Schemes/Worksites

MGNREGA Process Adherence: Work opening, Financial Management, Payment of Wages

Grievance Redressal

Towards Convergence

Reclaiming Agriculture Land: Water Conservation and Harvesting

Panchayat: Balthar
Block: Sono, District: Jamui (IAP)

Past:

- More than 20,000 acres of fallow land
- Rainfall below average (50%) in the last 6 years
- Lack of water conservation and harvesting structures

Present:

- Revival of traditional water conservation structures
- Ponds, Khet-Pokhar construction
- More than 1000 acres of land brought under agriculture

Note: Visionary Panchayat, Self Belief, Planning Skills, Executive capacity and Delivery

Output

Integrated Planning

**Employment Availability in the locality:
Persondays Generation**

Bottom up development action

Decentralization of Decision making

Assets generation

Infrastructural Support at GP

Increase in Toilet Coverage

Rise in Forest Cover

Greater Awareness on right to employment

Yearwise Persondays per House Hold (HH)

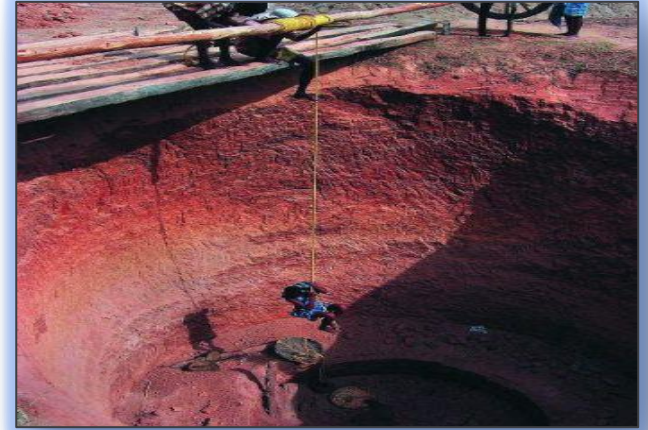

MGNREGA OUTPUT: BIHAR

Social Forestry

Toilet Construction

Well for irrigation

Pond under MGNREGA

Canal for Irrigation

Rural Connectivity

Outcome

Sustainable Livelihood Support at the Panchayat Level

No Bonded Labour in the State

Infrastructure Rich Panchayat

Optimization of Resources

Improved capacity to fight natural calamities of drought and floods

Accessibility to basic services:- like health, education, market etc

Sustained Income

Reduction in Open Defecation leading to reduction in majority of water borne diseases

Irrigation infrastructure for Agriculture

Innovation

Vriksh Sanrakshan Yojna

Objective

1. Involvement of Local inhabitants in care and management of Plants under MGNREGA
2. Source of Sustained income for BPL HH

Advisory:

1. For plantation on Public land not owned by any government institution
2. 20 plants (40%- fruit bearing, 20% -eco-diversity, 40%-Wodden) for BPL HH, based on their willingness, living close to the concerned Plantation (Proximity to be the criterion).
3. Preferably to be allocated to women members of the HH, otherwise to men in case of non-women HH.
4. Allocation of Plants does not mean possession of the concerned land to the beneficiary of the scheme.
5. "Vrikshpal" to be selected by Gram Sabha. Information dissemination by ward member in ward sabha. Application collection by Ward member/PRS.

जिला ग्रामीण विकास अभिकरण, गया
बृक्ष संरक्षण योजना - एक दृष्टि में
बिहार सरकार

गया जिला बिहार राज्य के दक्षिणी भाग में अवस्थित है। इस जिले में कुल 24 प्रखंड हैं, जिनमें से अधिकांश अत्यधिक नक्सल प्रभावित हैं। इस क्षेत्र में औसत वर्षा 700-800 मि.मी. है जो सामान्य रूप से आवश्यक वर्षा 1200-1300 मि.मी. तथा राष्ट्रीय औसत 1000-1100 मि.मी. दोनों से कम है।

पहावा गाँधी राष्ट्रीय ग्रामीण रोजगार गारंटी योजना के अंतर्गत, गया जिला में वृक्षारोपण की शुरुआत वर्ष 2009-10 में 6 इकाई पौधों की रोपाई से की गई। वृद्ध स्तर पर वृक्षारोपण वर्ष 2012-13 में 26,446 इकाई पौधों की रोपाई के साथ की गई। इस जिले में अब तक लगभग 60 लाख पौधों की रोपाई की जा चुकी है। वृक्षारोपण के अंतर्गत वृक्षों की देख-भाल के लिए प्रत्येक इकाई पौधों पर एक वनपोषक एवं पंच इकाई पौधों पर एक बापाकल का प्रावधान है। वनपोषक के कार्य में महिलाओं विशेषतः विधवा, विकलांग व्यक्तियों एवं वृद्ध लोगों को प्राथमिकता दी जाती है।

वृक्षारोपण के अन्तर्गत वनपोषक मिश्रण रूप से लाभान्वित हो रहे हैं :-

1. 26 दिनों का निश्चित रोजगार।
2. आर्थिक मदद।
 - घर-घर के अन्तर्गत मिलनेवाली भण्डारी से आर्थिक लाभ।
 - वनपोषक वृक्षों के बीच वाली जगह में मौसमी सब्जियों/फल जैसे खीरा, लौकी, तरबूज इत्यादि की खेती से भी लाभान्वित हो रहे हैं।
3. साथ ही साथ इन वनपोषकों के बीच सर्वसम्पत्ति से वृक्षों का वितरण भेद बनाकर, 20 वृक्ष एक वनपोषक को दिया जा रहा है।

वृक्षारोपण के अन्य लाभ मिश्रण हैं :-

4. बढ़ते हुए वायु प्रदूषण को रोकने का विकल्प।
5. लोगों का अंततः समाज का सामाजिक-आर्थिक अवतारण।
6. हरित चादर में वृद्धि से 'ग्लोबल वार्मिंग' की बढ़ती हुई समस्या से जुड़ने में एक मदद।
7. जल स्तर में सुधार।
8. मृदा संरक्षण।
9. 'कार्बन ट्रैपिंग' के द्वारा आर्थिक आय।

गया जिला में वृक्षारोपण से एक ओर आर्थिक विकास एवं सामाजिक निवेश हो रहा है तथा साथ ही साथ पर्यावरणीय संतुलन से यह उत्कृष्टता को प्राप्त कर रहा है।

जिला ग्रामीण विकास अभिकरण
गया

Key Components of Advisory Continued....

6. 10 Job cards holders to work for 36 days each in the fin year instead of 4 normally for 91 days.
7. Arrangement will be done on MIS for entries
8. Format of application and format of allocations attached with the advisory.
9. The allocation will be valid for 30 years. In case of deviations from the guidelines by “vrikshpal” the allocation will be cancelled.
10. Defined Rights of “Vrikshpal/vrikshpalika”
11. Defined duties of “Vrikshpal/vrikshpalika”
12. Defined “Ban on Vrikshpal/Vrikshpalika”
13. Rights of Parent Department
14. Process for Cancellation of allocation
