

Queries received in Pre-Bid meeting held on 14-05-2026 and

BCD response thereof:

PROJECT: - PROPOSED EXHIBIT DESIGN FOR DIGITAL MUSEUM BUILDING AT BIHAR VIDHAN SABHA @ PATNA (BIHAR)

S. No.	Query	BCD Response
1.	Request the authority to kindly consider a Design & Build tender structure instead of limiting the scope solely to consultancy services.	This RFP is solely for consultancy services. There will be a separate tender for exhibit installation.
2.	RFP Point No. 1.2: With reference to the legislative history of the state, kindly clarify whether the timeline is intended to cover only the modern legislative period, or if it may begin from the early historical period, such as the formation of governance and assemblies during the Mauryan era, and continue through to modern legislative history.	RFP clause1.2 also refers "History of democracy" which implies early historical period too.
3.	RFP Point No. 2.13: Request to clarify whether the scope of the MEP consultant shall be limited only to exhibit-related requirements and coordination, or if it shall cover the overall building services as well. Also whether the engagement of the MEP consultant is limited only consultancy and coordination services or whether the associated MEP works/items shall also be included in the BOQ. If included kindly specify whether the BOQ scope shall be restricted to exhibit- related services or applicable to the overall building.	Scope of work for MEP consultant shall be applicable to overall building including exhibit related area.
