Government of Bihar

Prohibition, Excise and Registration Department (Registration),

BIHAR SOCIETY FOR COMPUTERISATION OF REGISTRATION OFFICES

(BISCORE)

REQUEST FOR PROPOSAL
For

Selection of Service Provider for Installation, Testing, Commissioning and Maintenance of MPLS / VPN Connectivity for District Registry Offices and Sub Registry Offices of Prohibition, Excise and Registration Department , Government of Bihar and to State Data Center at Beltron Bhawan, Patna, Bihar

Tender No: Registration/Biscore/MPLS-01/2021
Dated: 04.01.2021

04/01/2021

Department of Prohibition, Excise and Registration
Vikas Bhawan, Bailey Road, Patna

The **Department of Prohibition, Excise and Registration** is one of the oldest departments of the state and is one of the main sources of state revenue generation. The major function of this department includes monitoring and regulation of spirit, alcoholic beverage and molasses and to generate excise revenue through a variety of duties and fees. New excise policy, 2007 has been introduced from 1st July, 2007 under this new policy settlement of all types of retail excise shops through lottery has been started for the first time in Bihar State.

Registration Department came into existence vide Government of Bihar Resolution No. 1724 dated 28-August-1991. Prior to it, it was a part of Revenue Department. The department is headed by a Minister at political level. At bureaucratic level, Departmental Secretary is at its head.

Bihar Society for Computerizations of Registration Offices (BISCORE) is a state level society registered under Society Registration Act,1860 and is Nodal Agency for Computerization of Registration Offices in Bihar . It also monitors and controls activities related to registration of documents through computerized system conducted by District Level Societies. Primary scope of work of BISCORE is selection of vendors for MPLS Connectivity / Hardware on Hire Basis and development of Application(if necessary) to be used for registration of documents.

04/01/2021

1. SCOPE OF WORK

a. Installation, Commissioning, Testing and Maintenance of Primary MPLS/VPN connectivity for District Registry offices/Sub Registry Offices of Prohibition, Excise and Registration Department, Government of Bihar and State Data Centre, Beltron Bhawan, Patna.
b. To avail a complete end-to-end solution to facilitate the above requirements through necessary equipment and architecture.
c. Facilitating continual and real-time availability of information and data.
d. Easy retrieval of data and generation of various MIS reports to support decision making.

2 TERMS & CONDITIONS

2.1 The bandwidth requirement for each office should be minimum 60 Mbps for State Data Centre at Beltron Bhawan, Patna and 4 Mbps for District Registry Offices and Sub Registry Offices. (Locations as per **Annexture-1** but If any new registration office will be opened during contract period or extended period of contract, selected bidder will have to provide connectivity to those registration offices at the same rate)

2.2 The circuit should be available in full duplex mode with sending and receiving available on the same circuit. (For e.g. - On a 4Mbps circuit, 4 Mbps sending and 4 Mbps receiving should be possible simultaneously)

2.3 In case of an increase in bandwidth of any circuit, the rate of the increased bandwidth will be paid to the vendor on a pro rata basis.

2.4 Bidder needs to provide higher capacity on wire line (Copper/Fiber) depends on feasibility or by RF. Bidders needs to submit the wired/wireless feasibility status for each location.

2.5 Bidder needs to have a co-ordination with the existing system integrator for integrating with the present system for the offices to function smoothly.

2.6 The bandwidth must be capable of upgrading at a later stage.

2.7 Any extra material required for the project execution not mentioned in the rate format shall be supplied and deployed by the bidder at no extra cost to Department.

2.8 The SLA of minimum 99.5% to be met for bandwidth availability between 09:00 AM to 09:00 PM.

2.9 Selected bidder will compulsorily establish Network Monitoring System (NMS) at Prohibition, Excise and Registration Department, Govt. Of Bihar, in Room No-149, Vikash Bhawan, Baily Road, Patna-15

2.10 Supply, Installation and Configuration of MPLS/VPN end requirement like modem/router with cabinet, last mile equipment etc. would be done by bidder in coordination with existing system integrator to provide the solution.

2.11 Bidder will monitor the links and bidder must have own Network Operation Center for monitoring of the Network. Bidder will monitor all the links from their

04/01/2021

NOC and submit the reports like Uptime, Bandwidth utilization, Link error, latency, etc on monthly basis and as per the requirement.

2.12 Bidder should log a call automatically in case of any issue without waiting for customer complain and should take the necessary action for restoration of the same. Bidder should also inform to Department through mail communicated to the bidder.

2.13 The maximum period of contract for bandwidth will be three years and part thereof and it may be extended afterward on requirement basis.

2.14 The charges will be fixed for 3 years and extended period also.It will also be applicable for any new registration office opened during contract period and extended period of contract.

2.15 The bidder must provide technical staff (24*7) at data center where all MPLS/VPN will be terminate. His job will include network management, call logging & escalation procedure.

2.16 The selected bidder will have to make all Offices/Locations operational within 45 days from date of work order. In this course Final Acceptance Test (FAT) will have to be done for connectivity between State Data Centre and at least 40 registry offices as selected by BISCORE during 31st to 45th day from date of work order.

3. SLA Metrics

For the various instances of outages the following SLA/s are applicable as given in the table below.

SL. No	Description	Acceptable Downtime	% Hours Uptime
1	Site	<1 Hours>	99.0% per month
2	Pop	<30 Minutes>	99.5% per month
3	Main Hub	<15 Minutes>	99.5% per month

4. PAYMENT SCHEDULE

Payment will be made on a quarterly basis & Non performance charge/payment is as given below.

a. In case of a site being down for more than the acceptable downtime as specified in the table in an instance during business hours a non performance charge of 2.5% of the monthly value for the link for every one hours & thereof will be levied. Overall uptime should not be lower than 99%. For every 0.5% downtime beyond the permissible limits, 5% non-performance charge of the monthly value of the link will be deducted. Both the penalties of hours and percentage would be added up for deduction from payment.

b. If uptime is between 97%-99%, 5% of the monthly payment shall be deducted.

c. If uptime is between95%-97%, 10% of the monthly payment shall be

04/01/2021

deducted.

d. If uptime is below 95%, 100% of the monthly payment shall be deducted.

5. ELIGIBILITY CRITERIA FOR SHORT-LISTING

The preliminary evaluation will be done on the following parameters and offers from firms not conforming to any of these parameters will be rejected.

Sr. No.	Parameters	Documents to be Submitted
1.	The bidder should be a company incorporated in India. (Please furnish the Certificate of incorporation). It must be a tier1 telecom service provider in India at least for the last 5 years having MPLS/ VPN license.	Copy of Certificate of Incorporation issued by Registrar of Companies
