(iv) Diploma in Medical Radiology and Imaging Technology
(v) Diploma in Acupuncture

2.3. **The diploma-level qualifications are not permissible for healthcare professions classified under ISCO Code 22 under the regulatory framework of the NCAHP Act, 2021. It may be noted that serial no. 11 of the communication dated 18.06.2026 falls under the healthcare profession; accordingly, a diploma course is not permissible in the said profession.** Further, the courses listed at Serial Nos. 6, 8, 9, 13, 16, 17, 18 and 20 do not exclusively fall within the Schedule of the NCAHP Act, 2021.

2.4. With regard to diploma courses **other than** those covered under para 2.1 above, and the courses falling under allied and healthcare professions regulated under the NCAHP Act, 2021, institutions already conducting such diploma courses with due approval or recognition of the Government, may continue to run such courses with existing approved intake until the Competency-Based Curriculum for the respective programme is notified by the Commission. Curriculum to be followed as and when approved by the NCAHP from time to time. The Allied and Healthcare courses for professions scheduled under the NCAHP Act whose curricula have not yet been approved are not allowed to start such new course(s).

2.5. The eligibility criteria for admission to the diploma courses mentioned under para 2.1 above, should be 10+2 in the relevant stream from a recognized Board, as specified for the respective course in the Competency-Based Curricula notified by the Commission.

2.6. The State Councils are advised to refer to the official website of the Commission for all subsequent notifications, curricula and regulatory updates.

3. This issues with the approval of the competent authority.

Yours faithfully,

To

The Chairperson,
Uttar Pradesh State Allied and Healthcare Council
Lucknow-226001

Sub: Clarification regarding existing Allied and Healthcare Courses/Programs-reg.

Sir,

This is with reference to your letter no. 70/UPSAHC/2026-27 dated 18.07.2026 addressed to the Secretary, NCAHP on the subject mentioned above.

2. The matter has been examined by the Commission in accordance with the provisions of the National Commission for Allied and Healthcare Professions Act, 2021, and the directions issued by the Commission from time to time. The point-wise clarification on the subject matter is as follows:

2.1. The Commission has notified Competency-Based Curricula for the following diploma courses under the respective allied and healthcare professions:

(i) Diploma in Anaesthesia and Operation Theatre Technology (D. AOTT)
(ii) Diploma in Radiotherapy Technology (D. RT)
(iii) Diploma in Dialysis Technology (D. DT)
(iv) Diploma in Health Information Management (D. HIM)
(v) Diploma in Medical Laboratory Technology (DMLT)

2.1.1. All institutions currently offering, or intending to offer, the above diploma programmes are hereby directed to mandatorily implement these curricula with effect from the academic session 2026–27. Institutions currently offering the Diploma in Medical Laboratory Technology (DMLT) shall make all necessary efforts to adopt and implement the prescribed DMLT curriculum from the academic session 2026–27 and shall mandatorily implement from academic session 2027-2028. The notified competency-based curricula are available on the official website of the Commission.

2.2. At present, the Competency-Based Curricula for the following diploma courses are under process of drafting:
