Subject: Request for Support in Activation of DEAF Accounts of Government Departments

Sir,

I extend my respectful greetings to you.

This is to bring to your kind notice that a number of accounts pertaining to various Government of Bihar departments have been lying in the Depositor Education and Awareness Fund (DEAF) category and require activation in order to facilitate regular operations. As per the extant guidelines of the Reserve Bank of India (RBI), Know Your Customer (KYC) compliance is mandatory for reactivating these accounts.

During interactions with officials of several departments, it has been observed that there is hesitation in providing their Aadhaar and PAN details to the Bank for completing the required KYC formalities. I would like to reaffirm that the submission of these documents is strictly for the purpose of KYC verification only, in line with RBI directives. These personal identification details are not used for any other purpose, nor are they linked to or utilised for any financial transactions or benefits beyond KYC compliance. All information shared is handled with utmost confidentiality and in accordance with the regulatory framework governing customer data protection.

Since the activation of these DEAF accounts is essential for enabling smooth financial operations of the respective departments, I request your kind intervention in directing the concerned departmental officials to cooperate with the Bank in completing the necessary KYC procedures. This will help us promptly restore the accounts to active status.

A list of the DEAF accounts requiring activation is being attached herewith for your reference and necessary action.

We shall remain grateful for your support in this matter. Should any clarification be required, we will be happy to provide the same.

Thanking you. With profound regards.

Yours sincerely,
