गया था, जिसमें टर्म लोन की राशि 160 करोड़ अंकित थी, परन्तु इकाई के अनुरोध पर आवेदन को रद्द कर दिया गया ।

- (iv) इकाई के स्वीकृत वित्तीय प्रोत्साहन क्लीयरेंस के मूल बैंक अप्रेजल (Credit Proposal LLMS) जो कि भारतीय स्टेट बैंक द्वारा ई-मेल के माध्यम से उपलब्ध कराया गया है जिसमें यह उल्लेख है कि कंपनी को Ongoing Capex हेतु कॉर्पोरेट लोन स्वीकृत किया गया तथा यह ऋण किसी Specific project के लिए नहीं है। इसके अतिरिक्त अप्रेजल रिपोर्ट के पृष्ठ-97 में यह उल्लेख है कि "The company also has been doing capex in UP, Tamil Nadu, Bihar & Odhisa, which is funded by mix of internal accruals and NDCs/TLs."

Further, Page 74/116 of the appraisal note states that the Corporate Loan is being sanctioned for meeting the company's ongoing CAPEX requirements and is not linked to execution of any specific project. In such circumstances, kindly clarify the basis on which the said Corporate Loan has been considered and linked to the ** Bihta Project, Bihar* for the purpose of availing benefits under the applicable policy.	While the sanction was accorded keeping the total requirement of the Company for its ongoing capex at various locations, disbursement of the term loan was made to reimburse the capex already incurred at Bihta plant. CA certificate dated 03.05.2024 and End Use Certificate dated 26.03.2024 were obtained which confirm the cost incurred in Bihita Project (enclosed).																					
(vii)	The LLMS Form DD for the *Bihta Project Unit* (copy enclosed) indicates the date of intimation of the proposal by the Credit Analyst/RMME/Branch Head/2nd Additional Assessor as 31.10.2023. However, Letter No. CAG-MUM/AMT-S/2023-24/313 dated 30.03.2024 indicates that the request for disbursement was made on 30.03.2024, resulting in a gap of approximately five months. Kindly explain the reasons for such a significant delay in processing the proposal relating to the *Bihta Project*.	Before putting up to the board of the Bank, the term loan proposal went through Credit Review Department for its remarks. Branch replies for the same were submitted on 17.11.2023. Thereafter, the proposal was presented to Corporate Centre Credit Committee (CCCC) on 29.11.2023 for recommendation to Executive Committee of Central Board (ECCB). Thereafter, the proposal was sanctioned by ECCB on 02.01.2024. After sanction of the proposal, a set of internal approvals need to be in place before the Bank can negotiate terms of facility agreement which took further time and finally documentation was completed on 28.03.2024.																					
(viii)	Since Interest Subvention under BIIPP-2016 is admissible only on Term Loans, kindly confirm whether the Corporate Loan considered for the *Bihta Project* is to be treated as a Term Loan and provide the basis and relevant regulatory provisions, if any, supporting such classification.	The loan of Rs 200 Crore sanctioned and disbursed to the Company is a Term Loan. The terminology "Corporate Loan" mentioned on various documents refers to the term loan facility meant for a top-rated corporate entity. In the present case, owing to its financial performance, credentials and external rating of AAA, Britannia Industries Limited was sanctioned a Term Loan (Corporate Loan) for its capex requirement.																					
(ix)	It is observed that the appraisal report submitted to SIPB in respect of the loan sanctioned for the *Bihta Project* does not bear the signature of the appraising authority. Kindly clarify the same and provide a duly authenticated copy of the appraisal report.	The appraisal report submitted to SIPB is signed by authorised signatory and the same is enclosed. Kindly treat the same as authenticated copy.																					
	Also As per your mail dated 05.02.2026, It has been mentioned that Rs.200 Crore has been disbursed for *Bihta project *. Please clarify that how much amount has been disbursed towards plant & machinery, civil construction and miscellaneous & fixed Assets respectively. Please ensure that on the supporting documents provided by you, it should be clearly mentioned that for Bihta project it has been issued.	The capex incurred by Britannia Industries Ltd for its Bihta Project is tabulated as under: <table> <tr> <th>Sl No.</th><th>Particulars</th><th>Rs Crore</th></tr> <tr> <td>1</td><td>Land and land development</td><td>43.61</td></tr> <tr> <td>2</td><td>Plant & Machinery</td><td>108.36</td></tr> <tr> <td>3</td><td>Civil Construction</td><td>86.43</td></tr> <tr> <td>4</td><td>Miscellaneous fixed</td><td>2.37</td></tr> <tr> <td>5</td><td>Preliminary and preoperative expenses</td><td>2.55</td></tr> <tr> <td></td><td>Total</td><td>243.32</td></tr> </table> Against a total capex Rs 243.32 Crore incurred by the Company, Bank has disbursed term loan of Rs 200Crore for Bihta Project.
