But in the list of counselling there is a name for another boy his name is "KUMUD KUNDAN" ranked-6542,ID.- SSO/00114985 whose sequence is very low in compared to me.The 1st difference between the qualification of both of us is that he has done engineering from government college and I am from private college and second, the difference is that of birth which is bigger than me at that age.But according to the advertisement you have given 50% reservation is reserved separately for the government students.</p> <p>Sir, it is urgent that whatever government student is,it should be compared to the government sector not to the private college student because as per your advertisement ,50% reservation already given to them then why should be compared from a private college student.</p> <p>sir,I want to tell you as per your advertisement only 50% reservation for government student,So in counselling list the ratio should be equal of both type student whereas the ratio of private student is more less than comparison to the government student in EBC Category.</p> <p>sir, I very request you to kindly look the matter</p>	<p>Contents of the Grievance / objection examined. 384	SSO/0073476	RAJ	07-Jun-2019	I have applied for the post of Special Survey Assistant Settlement officer (Reg. No.- SSO/0073476) as per advertisement no.-03/2019 of Revenue & land reforms Department, Govt. of Bihar. Sir, due to discrepancies in computation of marks for the Bihar state board with respect to others board like; CBSE, ICSE etc. during preparation of merit list, I have not been placed in merit list by 1.5%. Sir, as most of the institution, Scholarship programme, Fellowship programme follow the DST (Department of science & technology, Govt. of India) cut off list for marks equivalency of different Board (State as well as Central Board) to provide equal weightage to all the applicants. But, due to non following of DST list, the applicant who passed from Bihar School Examination Board got neglected over other state board or central board. Therefore, it is requested to prepare the merit list either only on the basis of marks obtained in essential qualification i.e. B.E. /B.tech. & experience or follow the DST list (copy enclosed for different year) to compute the marks of different Board. Also, as per Para 7 (1) of Bihar Gazette (no. 805) published on dtd.- 29 August 2018 (copy enclosed), if the selection has to be made on the basis of marks obtain & experience followed by counselling only, there is	Contents of the Grievance / objection examined. 388	SSO/0002638	PRABHAT KUMAR	07-Jun-2019	In the merit list as published on lrc website it is very unfortunate to see even in UR category result maximum candidates belong to reserved category after that when horizontal reservation is set for girls , govt. Institutions of Bihar, FF quota, Ph quota then how many seats are left for general students of Bihar who have imparted degree from other state. This is very unfortunate and needs review as numerous students have same dissatisfaction. tell me out of 111 seats under ur category how many times general male candidates been called for document verification. My total points is 64.66 having domicile of Bihar.then why my name is not on the list as female candidates and other candidates have been called for DV being low points than 64.66 . Tell me how many times gen male candidates who are having degree from other state being domiciled of Bihar have been called for DV.So this results need revision & correction as per different criteria and categories. I kindly request to have just review of results keeping in mind no.
